

St. Petersburg, FL - Collegebaseball360.com will provide live webcasts for 13 of the 24 games at the third annual BIG EAST/Big Ten Baseball Challenge, hosted by the St. Petersburg/Clearwater Sports Commission February 18-20. The webcasts commence with one of the opening games of the Challenge, Seton Hall vs. Penn State, on Friday, Feb. 18 at 10 a.m. EST at St. Petersburg's Al Lang Stadium.

"We are extremely excited to again webcast games at the BIG EAST/Big Ten Baseball Challenge," said College Baseball 360 Editor Sean Stires. "Last year nearly 12,000 viewers logged-on to watch the eight games we were able to webcast, which prompted us to add five more games to this year's schedule."

The arrangement guarantees each of the 16 participating schools will have at least one game carried live. Collegebaseball360.com will webcast all eight games that will be played at Al Lang Stadium, as well as two games at Florida Auto Exchange (Dunedin) Stadium, two at Bright House Field in Clearwater, and one game at the Walter Fuller Baseball Complex in St. Petersburg.

Award winning sportscaster Sean Stires, Bradenton Marauders announcer Joel Godett and Ian Dooley will provide the play-by-play for the 13 games.

With the goal of continually providing unique content, Collegebaseball360.com continues to be one of the fastest growing college baseball sites on the internet.

The games can be viewed through the event website www.BIGEASTBigTenBaseballChallenge.com and/or www.Collegebaseball360.com.
